Advisors: Fill out this form and send to Jerry Foster. He will then assist the student in enrolling in Project or Thesis.

Enrollment Recommendations for Project or Thesis: Enroll for 3 credits the first semester and then 3 credits the next semester. After taking 6 credits, if the project/thesis is "in progress" you must stay in continuous enrollment, except for the summer semester. To maintain continuous enrollment after taking 6 credits as outlined above (3, 3, and then 1), enroll for 1 credit of EDTECH-591 or 1 credit of EDTECH-593 each semester until finished. You must be enrolled in the semester you graduate.

After the committee members sign, return this form to the Dean's Office E-704.
