WE ARE CHANGING THE CONVERSATION ABOUT EXECUTIVE EDUCATIONAL LEADERSHIP

CLOSED COHORT
A closed cohort structure to encourage social and professional support, collaborative learning, improved academic achievement, and greater completion rates.

INTEGRATED CURRICULM
An integrated curriculum aligned to standards and designed to develop leaders who can successfully lead practices associated with organizational change and improvement, particularly the improvement of teaching and learning.

STUDENT CENTERED INSTRUCTION
Student-centered instruction grounded in practices from the field and bridging to the best research and theory available on leadership development.

WHY BOISE STATE?
According to the “Best Education School Rankings” from the 2017 U.S. News and World Report, Boise State University’s College of Education is ranked in the Top 75 nationally. When the rankings are reorganized according to regional areas, Boise State’s College of Education is in the Top 3 in the Northwest.

In the Northwest, Boise State’s College of Education is ranked #3 Best Education School:
1. University of Washington
2. University of Oregon
3. Boise State University

ABOUT OUR GRADS!
- 78% Report higher earnings since starting the program.
- 60% took higher level positions as superintendents or administrators.
- 100% Report that if they could start all over again they would still choose Boise State.

1910 UNIVERSITY DRIVE   BOISE, ID 83725
SUPERINTENDENT CERTIFICATION PROGRAM

Focused on Systemic Improvement
Both the practice of systems leadership and the development of each student’s capacity to build leadership in others.

Designed to Prepare students
Designed to prepare students for careers as school district superintendents and central office administrators in Idaho.

Aligned Learning Experiences
Learning experiences aligned with superintendents’ annual work cycle to provide the conditions for authentic learning and opportunities to learn from both faculty and leading experts in the field as they integrate theory and practice.

EARN YOUR Ed.S DEGREE

Our program utilizes extended face-to-face meetings (all day Friday and Saturday once a month) to meet the needs of working professionals who desire to be part of a collaborative network of learners.

Our learning experiences are built around problem based learning as a teaching strategy to help address complex problems related to the superintendent.

The program is 30 credits taken over 5 semesters in an integrated format:
MODULE 1 (FALL) – 6 credits Foundations of Leading Complex Educational Organizations
MODULE 2 (SPRING) – 6 credits Leading Continuous System-Wide Improvement of Learning
MODULE 3 (SUMMER) – 6 credits The Superintendency and Executive Level Leadership: Theory and Research
MODULE 4 (FALL) – 6 credits The Superintendency and Executive Level Leadership: Clinical Experience
MODULE 5 (SPRING) – 6 credits The Superintendency and Executive Level Leadership: Capstone Course

APPLY TODAY!

New cohorts start each fall, and the program is capped, so apply today.

Preference is given to those that apply by March 1st.
